

## Partner of the Quarter

We would like to recognize Sheridan Richards as the first partner of the quarter!

Although Sheridan has only been here for 1 year, she embodies UAMS's 2029 Vision with purposeful leadership through community outreach. We truly appreciate her contribution to the UAMS Day camp and her passion for helping others as an HR Business Partner!

Happy 1-year anniversary on August 26, 2019!

## Local Organizations Donate to the UAMS Day Camp

Many local businesses, churches and individuals have donated food and supplies to the UAMS Day camp.

St Mark's Baptist Church donated 100 cases of bottled water after Sheridan Richards made them aware of the need. Carlton McGee donated 65 bottles of water. Pinnacle Point donated cookies and pizza. Eat My Catfish and Pleasant Valley Church of Christ provided lunch for all volunteers.

We know they are not seeking recognition but we really appreciate their support!
