

EXIT SURVEY

Your Feedback Makes a Difference

In the spirit of continuous improvement, UAMS is conducting an Exit survey. Your participation in the survey gives us the opportunity to hear the collective voice of our workforce and take targeted action. We are using a third-party platform, **People Element**, to collect your feedback.

YOUR FEEDBACK WILL BE UTILIZED TO:

- Make UAMS a better place to work by creating a fair and just work environment
- Identify what drives faculty and staff to be engaged
- Improve faculty and staff retention
- Promote organizational effectiveness

WE NEED TO REACH YOU

Please make sure your personal information is up to date in Human Resources. This information should reflect your personal (**non-UAMS**) email and contact numbers. **People Element** will send you an invite (via email, text messaging, or telephone) to request your participation in completing the survey.

WHO TO CONTACT

We thank you in advance for helping make our organization a better place to work. If you have any questions or concerns, please contact the Office of Human Resources at (501) 686-5650 or send an email to AskHR@uams.edu.
