

TESTABLE POSITIONS - SUBJECT TO CHANGE

List updated October 2020

Positions on this list have been designated to perform activities that are involved with direct patient care and/or safety sensitive responsibilities. This listing is used for **pre-employment** and **random** drug testing.

A standard *ten-panel* drug screen should be ordered for all testable positions with the exception of positions with clinical privileges who are subject to a more extensive drug screen panel referred to as, *Medical Professional*.

Policy Reference: Administrative Guide 3.1.14, Drug and Alcohol Testing
