

E-Verify and Government Shutdown

Due to the government shutdown, employers are unable to complete the E-verify portion of the Tracker I-9. Managers and Administrators who are authorized to verify employment identification documents and complete E-verify actions are still required to enter all new employee's identification information and complete Section 2 of Tracker I-9. Once these actions are complete, please notify HR Records via email at ASKHRREC@UAMS.EDU to ensure the employee will be paid.

We are unable to pay employees who are not entered into Tracker I-9, so it is imperative that all Managers and Administrators who are responsible for verification and documentation actions continue entering the new hire information in Tracker I-9 despite the government shutdown.
