

## UAMS / MGT Classification and Compensation Project

---

### Internal Communication:

The UAMS OHR department and the MGT consulting group would like to thank those of you who were able to attend our Town Hall sessions for the upcoming Compensation and Classification project. We were grateful for the opportunity to share information with you in preparation for the project. We appreciated the helpful comments, questions and discussions that were shared in each of the sessions.

For those that were not able to attend, the sessions have been recorded and are available on the UAMS OHR website home page under the link titled "Classification and Compensation Study" and below. Also on the website and below you will find links for a list of Frequently Asked Questions (FAQ) and the PowerPoint presentation deck that was used for the meetings.

The next step for this project will be an online survey sent out through email to supervisors. The survey subject line will read: Invitation: UAMS Management Issues Paper (MIP) and will come from the email account: [noreply@qemailserver.com](mailto:noreply@qemailserver.com). The survey link will remain open for one week and then will close and you will not have further access to the survey.

We will then send out a second online survey which will go to all employees that will be included in the study. The survey subject line will read: Invitation: UAMS Position Description Questionnaire (PDQ) and will come from the email account: [noreply@qemailserver.com](mailto:noreply@qemailserver.com). The survey link will remain open for two weeks and then will close and you will not have further access to the survey.

Once all the data is received, MGT Consulting will begin their analysis of the data and development of the deliverables. The goal is to have these results available for distribution by the end of 2019.
