

IMMIGRATION PRESENTATION & INDIVIDUAL CONSULTATIONS

Introduction to Permanent Residence

*Friday, Sept. 13, 2019, 10:00am-11:30am
Education II Building Room G 137*

This presentation is designed for both foreign nationals and department administrative coordinators, and will provide in-depth information about various permanent residence strategies. Topics will include how to select the optimal path to permanent residence, step-by-step review of the process, government processing timelines, regulations governing the employment of foreign nationals, and other important information. There will also be time at the end of the session for general Q & A.

To register for the presentations, please see the [Immigration 101: Introduction to Permanent Residence](#)
