E-mail: AskImmigration
@uams.edu

This presentation is designed for both foreign nationals and department administrators, and will provide information on options for pursuing permanent residence in the U.S. Topics will include varying pathways to U.S. permanent residence, government processing timeline, regulations affecting foreign nationals and other important information. There will also be time at the end of the session for general Q & A.

To register for the presentations, please see the [Immigration 101: Introduction to Permanent Residence](#) in Workday Learning.
